

*Rheuben Allen*®

Introduces the first  
Right Hand Low A Key  
for Baritone Saxophones

Never before has the baritone  
saxophonist had so many ways  
to play the Low A.

This key makes many very hard  
passages a lot easier.

Check my website

[www.rheubenallen.com](http://www.rheubenallen.com)

for exercises and ways  
to use this exciting  
new key.

PS you can also buy it!
