

Experience the Innovation!

*Straps to make your instrument feel
50% lighter and 100% more comfortable*

MAKE IT YOUR OWN WITH THE NEW **UNIVERSAL STRAP!**

Customize the **Universal Strap** to fit your playing style. Merely change out the **Neo-Hook™** System to switch the hook option, length or configuration. Now you can go from the marching band... to doubling at the symphony... to jamming with a sling-style strap... to carrying the instrument bag home at the end of the gig.

Go ahead...be fickle...change your mind, playing style and instrument with the new **Universal Strap!**

Check out our website to see the complete line of **Neo-Hook™** connectors available.
